

Pitching Forum

Docs Barcelona, International Documentary Film Festival, February 1 – 4, 2007

Pitching Forum: February 1 – 2, 2007

Deadline: 4.12.2006

The Pitching Forum is the DocsBarcelona branch that serves the documentary industry. For the last 10 years DocsBarcelona has served as a meeting place for documentary project funding, where producers, directors and commissioning editors come together and join forces through pitches and one-to-one meetings.

Pitching Workshop: experienced professionals in the fields of production and documentary funding work alongside participants, analyzing the strengths and weaknesses of their projects, to help them shape presentations into the most alluring pitches possible.

Pitching Forum: 24 projects are presented to the commissioning editors' panel and an audience made up of industry professionals.
