

## Sofia Meetings

*11. Sofia International Film Festival, March 1 – 11, 2007*

4. Sofia Meetings: March 8 – 11, 2007

**Sofia Meetings** is an event organized within the frames of the **Sofia International Film Festival**. It is orientated towards the professional audience (producers, directors, world sales agents, distributors, representatives of financing organizations and film festivals).

Sofia Meetings has two separate modules:

- **Second Films Pitching** – presentation of second feature film projects looking for financial support and realization;
- **Balkan Films Showcase** – screenings of the latest Bulgarian and Balkan films for directors and programmers from different international festivals.

The aim of Sofia Meetings is to promote new projects of young European filmmakers and new films from Bulgaria and the Balkan region to European film festivals and distributors. Sofia Meetings is one of the key spots in the festival.
